

About Us

ur-taigh is wholly owned and operated by chartered architects registered in the UK and is supported by established architects currently working throughout the Highlands and Islands of Scotland.

Based on the Black Isle in the heart of the Highlands, we are ideally located to provide an efficient and effective service for projects throughout the Highlands and Islands.

Managing Director
Calum Maclean RIAS RIBA.

Calum has been a chartered architect for over 10 years, leading the design and development of major projects for the public and private sector, in Scotland and Internationally.

Calum has expertise in sustainable architecture and has undertaken specialist training with the Building Research Establishment to provide consultancy services in ecological design.

Calum was initially responsible for developing and implementing the Ur-Taigh concept and provides strategic direction to the development of our designs and services.
